DIABETES AWARENESS 2007 FOR GRTI

For the last 5 years GRTI has tried to promote a healthier lifestyle to the public. Each year the public has made Diabetes Awareness a success. The event has drawn many people from the community wanting to learn more about the disease and how to prevent it. As you know each year GRTI features guest speakers from the community sharing with you their stories about how the disease has affected them or tips for preventing the disease.

The Diabetes Prevention Program will be participating as well as other booths from different organizations sharing literature, and a healthy lunch for all who attend.

We would like to take this time to invite you to our

6th annual Diabetes Awareness. There will be flyers around the community, and also updates on our website at www.gilanet.net for more information.

GRTI APPRENTICE PROGRAM By Miane Gonzales

Have you tried out for Donald Trumps "The Apprentice" and didn't make it? Well Gila River Telecommunications, Inc. (GRTI) offers you a chance to be an apprentice. The apprenticeship program is unique and tailored around your goals. GRTI will work with you and help you to better your skills in your field of choice. For example, if you are skilled in computer graphics GRTI can put you to work doing what you do best. Depending on your skill or what you want to learn more about, GRTI can train you to meet your goals. The GRTI apprenticeship program is for one year and exposes the apprentice to career training. The apprenticeship program can be tailored to meet your academic schedule.

If you are attending school GRTI can work with your schedule. GRTI currently has six apprentices in the program, Frank Poocha (Network Operations Apprentice), John Antone (Cable Technician Apprentice), Marvin Cook (Accounting Apprentice), Harry Antone (Project Coordinator Apprentice) and Miane Gonzales (Marketing and Sales Apprentice). The experience that the apprentices gain will help them to meet their career goals. Thank you GRTI for this experience, we are all grateful for the training and knowledge we will get from the apprenticeship program. If you would like to learn more about the apprenticeship program For further information contact GRTI at 520-796-3333.

MUL-CHU-THA FAIR AND PARADE

Miane models
the best GRTI
shirt ever!

Did you have as much fun at the Mul-Chu-Tha Fair and Parade as we did. We hope you took home one of our t-shirts, which shirts featured "Al the Alien" on the front. We hope to see some community members wearing the shirt in the future. Thank you supporting GRTI and visiting our booth. Watch for the grand prize winner of the PC home computer and printer in our March newsletter. Plus, they will receive one year of FREE Internet service from GRTI.

SURVEY RAFFLE FOR \$50 GIFT CARD

GRTI customers, we want to hear from you! Watch for the February phone bill from GRTI, it will have a quick survey. Fill out the survey and send it to GRTI. A winner will be selected from the entries and they will win a \$50 Visa gift card. The Visa gift card can be used any where you see the Visa sign, e.g., gas stations, restaurants, shopping stores, Walmart, internet purchases, just about anywhere.

Watch for the survey in your phone bill titled "Stay Connected Survey". Any questions, please call GRTI Customer Service at 520/796-3333 or check the website www.gilnet.net for details. GRTI looks forward to your comments.

STAY CONNECTED

Have you been disconnected due to payment problems? GRTI offers a program named "Stay Connected" to help you keep your phone service. Come in and fill out an application and make payment arrangements.

The Requirements are:

- Have current phone service.
- Sign a "Stay Connected" form.
- Make a payment agreement with GRTI to pay your outstanding bill.
- Be on toll block (basic service only), with all features removed.
